

love notes

HAPPY VALENTINES DAY!

This is a season of LOVE. And because we LOVE your family, we wanted to share this little box with you. Over the course of the next several days and weeks, take little opportunities each day to leave a note for someone else in your family. Leave it in their bathroom, their bag, their desk, in the microwave, sock drawer, on the mirror, in the car ... wherever you think they'll see it. Tell your family members specific reasons why you LOVE them or specific things you're grateful for about them. I hope this becomes a frequent place for you all to visit as you focus on expressing your LOVE for one another.
